	The strength of its name can be all found in this red wine vinified in steel. They conquer its softness, its sweet tannins and the full bodied structure that satisfies the tasting. The bouquet is intense, fruity of morello cherry. On tasting it is enveloping, stands out the richness of fruity scents which are accompanied by a roundness due to the notable alcohol content. Velvety, soft, well balanced the tannic, acid and savoury components. Great structure. A versatile red wine to combine with red meats, BBQ, roasted meat, boiled meats, tasty first courses and salami. The Historia line is inspired by the lively and intense historical past that characterized the territory of Moletto between the seventeenth and early years of the twentieth century. A long era in which personalities of great importance and creativity have distinguished themselves. To them the Historia line is dedicated. Innovative wines with character and great organoleptic impact. They are characterized by great freshness, body and structure to fully satisfy the senses. Stand out the fruity aromas of the reds, accompanied by finesse and power that honor the character of those who inspired them.
