Product Picture	Tasting Notes and Pairing				
	aroma typical of gin, featuring bright citrus tree notes and the herbal nuances of Sardinian spontaneous herbs. On the palate, it is spicy and vibrant, with a generous expression of botanical herbs from the Mediterranean maquis and the classic, clean aftertaste of gin. Boigin stands out from previous expressions thanks to the addition of lemon, tangerine, and orange peel, which enhance its body, freshness, and aromatic complexity. Its fresh, citrusy-herbal profile makes Boigin a versatile gin, perfect for Italian-style Gin & Tonics or for enjoying neat to fully appreciate its aromatic complexity.
