	<p>Arancio is an exaltation of the taste, aromas, and colours of Sardinian oranges, offering an intense yet lively profile that is both fresh and refined. The bouquet is distinctively characteristic of local oranges, with pleasant sensations of zest and freshly pressed orange juice. On the palate, it is intense and persistent, with aromas that remain fine and elegant both on the nose and in the mouth.</p> <p>Versatile and vibrant, Arancio is enjoyable iced neat or at room temperature, where it pairs beautifully with tonic water or champagne, making it ideal as an aperitif or a digestive. For a truly refreshing palate-cleansing experience, it is exceptional straight from the freezer, its chilled, velvety texture gliding smoothly across the palate and leaving a lingering citrus finish. Equally compelling in mixology, Arancio lends itself to sophisticated cocktails, including a contemporary interpretation of the Garibaldi, where its bright orange character is perfectly balanced by the bold depth of Bitteroma Rosso Silvio Carta, creating a modern classic that bridges tradition and innovation.</p>
